The LiLI Unlimited Catalog

Select LiLI libraries that fit your research

Your LiLI Unlimited Catalog search defaults to the collections of all participating LiLI libraries. From the drop-down menu, you may limit your search to a regional group of LiLI libraries.

Searching

The Advanced search screen displays by default. Basic or Expert search screens are available using the tabs near the top of the screen.

Advanced Search screen

- Enter search term(s) and select index (author, title, subject, etc.) using the drop-down menu to the right of search term box.
- Select Boolean operators from the drop-down list to the left of search term boxes.
- Limit search by publication date, language, material type or specific library code.

Basic Search screen

- Type a word or phrase in the search box for the index (keyword, author, title) you want to search.
- Enter the additional search criteria such as publication date or ISBN, if appropriate.

Expert Search screen

Enter your search in the large search box. Use the information that displays at the bottom of the search screen for guidance.

Additional searching hints:

- Browse subject headings to find additional terms that may apply to your search. Click the **Subjects** button  to access the Subject Headings list.
- Watch for search suggestions that may display at the top of the screen to help you increase or decrease your search results.
